EickSkin Skin Stapler

The EickSkin Disposable Skin Stapler is a simple and affordable stapler that provides consistent and reliable performance. Designed to fit comfortably in your hand, it enhances control of skin closure reducing surgery time as well as minimising infections and scarring. In addition the EickSkin Staples can be easily removed causing no pain to the patient.

- ▶ Pack of 10 staples (35 x 7mm)
- ▶ Individually packaged
- ▶ Sterile
